CME WOMEN IN RESOURCES AWARDS

The Women in Resources Awards recognise individuals and organisations working to build a world-class industry which provides attractive career opportunities and develops people's capacity, including enhancing recognition and participation of women in the sector. The three nomination categories are:

OUTSTANDING WOMAN IN THE WA RESOURCES SECTOR

This category recognises an outstanding woman's contribution to the WA resources sector, her company and/or community.

COMPANY INNOVATION INITIATIVE

This category recognises a company that has implemented an innovative initiative, policy or practice which demonstrates successful attraction, selection, promotion or retention of women within the resources sector.

WOMEN IN RESOURCES CHAMPION

This category recognises an individual, male or female, who has encouraged and supported the attraction, selection, promotion or retention of women within the resources sector.

PRIZES

- A trophy designed by a Western Australian artisan
- A framed certificate
- Media coverage and industry recognition

TO ENTER
